Can your company provide a safe, supervised worksite for a young worker?

The Eastern Workforce Investment Board, through a service contract with STEPs, Inc, will hire approximately 350 young workers in the Eastern Workforce area this summer as part of its summer youth employment project. The temporary workers will be assigned to non-profit organizations, government agencies, and for-profit businesses. The purpose of the project is to help the young workers learn valuable Work Readiness skills while the worksite enjoys the benefit of an energetic, productive worker.

Can your company provide a safe, supervised worksite for a young worker? Do you have temporary work that is suitable for an entry level worker, age 16 to 24?

Please contact Lee Ann Langston - STEPs, Inc. at: 918 869-2205 or call your nearest Workforce Oklahoma Center @ 888-980-WORK for more information.

A youth, participating in a program activity operated with WIA funds must not displace, including a partial displacement, any currently employed employees as set forth in 20 C.F.R. §667.270.

Funding for the Summer Youth Program is provided by a grant from the U.S. Department of Labor as administered by the OESC. The Summer Youth program is authorized pursuant to the Workforce Investment Act of 1998 and the American Recovery and Reinvestment Act of 2009. EWIB is an equal opportunity employer. Auxiliary aids and services are available upon request to individuals with disabilities.
